## **SUPPORT ULM e.V. DONATES SUNSCREENS FORMULATED FOR SENSITIVE SKINS WORTH N\$ 860,000 TO SINASRA**

***Windhoek, April 26, 2024,***

Support Ulm e.V., a non-profit organization based in Ulm, Germany, under the management and guidance of Prof. Dr. Heinz Maier, donated sunscreens specially formulated for sensitive skins to SINASRA (Support in Namibia of Albinism Sufferers Requiring Assistance), an organisation created with the primary concern of the survival of people with albinism in Namibia, SINASRA ensures that people with albinism are offered fair chances to better standards of living.

The donation worth *N\$ 860,000* was handed over on behalf of Support Ulm e.V by Ms. Alina Letushila Nelenge, the CSI representative of Ohorongo Cement to Ms. Anette Shililifa a Senior Teacher at the School of the Visually Impaired and a member of the SINASRA board.

The donation was specifically aimed to assist and meet SINASRA halfway in supporting people living with albinism in Namibia by caring for their sensitive skins especially during the incoming cold seasons of hibernating sunrays said Nelenge.

Ms. Shililifa extended her appreciation for the ongoing support from Support Ulm e.V for always remembering the people of Namibia living with albinism.
